

NOTICE OF PUBLIC HEARING

The following hearing will be held on January 17, 2019, at 9:00 AM at the Bois de Sioux Watershed District office, located at 704 Highway 75 South, Wheaton, Minnesota: Wilkin County Ditch 9 - The final hearing on the improvement petition, the detailed survey report, and the viewers' report of the redetermination of benefits and damages.

Pursuant to Minn. Stat. § 103E.325: (1) The petition is pending. (2) The detailed survey report is filed. (3) The viewers' report is filed. (4) The time and place set for the final hearing is as described above. (5) Brief description of the proposed drainage project: The improvement will involve the reconstruction of the entire ditch and associated laterals. The purpose of the improvement is to reconstruct the facility, where feasible, to the 10 year design standard according to the Red River of the North's Basin Technical and Scientific Advisory Committee Briefing Paper #3 "Water Management Options for Surface Drainage". Published September 15, 2014 The reconstruction will result in a new channel bottom profile, new channel cross sections, new road crossings, side inlet culverts, flap gates, grassed buffers, and grade stabilization features. The general description of the main branch of Wilkin County Ditch 9 is as follows: Beginning at the southeast corner of Section 36, Township 131, Range 45, Bradford Township, Wilkin County, Minnesota; thence running westerly, along the south line of Sections 36, 35, 34, 33, 32, and 31 to the southwest corner of said Section 31; thence northerly along the west line of said Section 31 approximately 50 rods, thence in a general northwesterly direction across the south half of Section 36, Township 131, Range 46, Brandrup Township, said Wilkin County to where the ditch intersects a tributary to the Rabbit River. The general description of Branch 1 of Lateral 9 is as follows: Beginning at the southeast corner of Section 25, Township 131, Range 45, Bradford Township, Wilkin County, Minnesota; thence running westerly, along the south line of said Section 25, to the southwest corner of said Section 25, thence southerly along the west line of Section 36 of said Township to the southwest corner of said Section 36, intersecting the main branch of Wilkin County Ditch 9.

(6) The following is a listing of lands, property benefited and damaged, which appear to be affected: In Grant County, Minnesota: Lawrence Township (T130 R44) all or part of Section 6.
